## Pilots / Model Aircraft Declaration for Warbirds 2023

The Directives and Rules contained below are for use during the running of any sanctioned MFNZ event.

***I Hereby Declare That:***

1. I am familiar with and will undertake to follow all aspects of MFNZ safety rules, as per section 7 of the MFNZ members manual, MFNZ CAR102 Unmanned Aircraft Operations Manual and CAA rules Part 101.  
Note that we have a CAA exemption to fly up to 1000ft in height for this event when an observer is being used. See MFNZ safety rules 7.2
2. My models have passed an "Airworthiness Inspection" as per Appendix 1, MFNZ members manual.
3. I have the appropriate Wings Badge accreditation for the types of models that I intend to fly, as per MFNZ Wings Qualification Program. Also, Large Model Pilots flying category 1, 1, 2 & 3 aircraft must have a current permit and be able to produce it on request.

In signing this declaration, you the pilot/operator of any aircraft you fly, have agreed to accept full responsibility for the operation of said aircraft within these guidelines.
